Explanation of Responsibilities

Documentation and Vaccinations

Each participant is responsible for proper documentation and inoculations that may be required and/or recommended to participate in our Destination Workshop.

A valid passport is required to enter Mexico and re-enter the United States.

Covid-19 Protocols:

Love of Aging requires that all participants be fully vaccinated for Covid-19. You must have received at least 2 doses of a recognized Covid-19 vaccine (or 1 dose of J&J) at least 2 weeks prior to departure and bring your vaccination card. **IMPORTANT:** This requirement may be amended closer to departure depending on government and airline regulations applicable in the US and Mexico.

At this time, a Covid-19 test is no longer required to re-enter the US from Mexico. Should that change, Love of Aging will secure an on-site testing service to test all participants prior to departure, assuming you are departing on our scheduled travel date. COVID testing will cost you \$35. Should a participant decide to stay longer in Mexico following the Destination Workshop, they will be responsible for securing their own test.

Covid-19 safety protocols, including indoor masking in stores and restaurants, may still be enforced throughout San Miguel de Allende, and Love of Aging will follow whatever safety guidelines are in place during our destination workshop dates. *Disclaimer: While Love of Aging LLC will follow all legal mandates designed to minimize the risk of COVID-19 infection, it cannot and does not guarantee any participant's safety from contagion.*

Participant Health and Well Being

If you sign up for a Destination Workshop, you acknowledge and agree that you are physically well enough to travel and are responsible for your own well being.

While San Miguel de Allende has modern medical facilities and pharmacies, you must bring enough medication with you for the trip.

Participants Needing Special Assistance

Please note: Casa Puesta Del Sol, our workshop location in San Miguel de Allende, has stairs. It is not wheelchair accessible. Please note that the city of San Miguel de Allende has cobblestone streets and unevenly paved sidewalks as well.

You must report any disability requiring special attention to Love of Aging at the time the reservation is made. Love of Aging will make reasonable efforts to accommodate the special needs of workshop participants. Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Love of Aging personnel nor its suppliers may physically lift or assist clients into transportation vehicles. If a participant thinks he or she might need assistance during a trip, he or she should call Love of Aging to determine what assistance might reasonably be given. Love of Aging cannot provide special individual assistance to workshop participants with special needs for walking, dining, or other routine activities.

It is recommended for your own self-interest and protection that you have adequate insurance to cover these eventualities. There are limitations by coach and air carrier as to the number and size of bags which can be carried onboard and in bulk storage. Be sure to verify such restrictions before departing for your Destination Workshop.
